City Council Adopts New Personnel Plan

Hiring and firing of city employees for the first time was placed on a systemitized basis Monday night when the City Council adopted a "Personnel Procedure Plan". The plan was presented to the council by Robert Thompson, personnel expert, and is the first of three such reports that will be made by him covering the employment by the city.

The new plan establishes a personnel board composed of seven members to act on all personnel matters. For the present the board will consist of all five council members and two laymen but the intention is to eventually set up a board entirely separate from the council.

Full Authority

The board will have full authority to appoint, transfer, promote, demote, layoff, grant leave of absence, terminate, discipline all department heads and supervisors of the City of Campbell.

Thompson, who is personnel supervisor at San Jose State College and also a member of the faculty, was present at the meeting and briefly explained the basis of the general report. He indicated that his second study would deal with job classification and the third with salaries and vacation time.

Thompson was congratulated by Mayor Richard Morton and other council members for the job which was done free of charge to the city. Thompon said he appreciated the opportunity of assisting the city in the establishing of a personnel system starting from scratch. He said his plan was of a functional nature and did not include "frills" but covered only the basic needs of the city.

"This, for the first time," Mayor Morton commented, "eliminates the hit or miss manner of employment that has been in effect. It will be a great boon to the efficient operation of the city."

Other Actions

In other actions the council:

1. Approved the route of the Old Settlers' Day Parade on Saturday, May 5.

2. Granted the request of Sam Cava, Chamber of Commerce manager, to hang eight streamers over the city streets and instructed that city personnel could be used in the installation.

3. Granted Jim Moore, 71 E. Campbell, permission to remove a tree from the front of his property.

4. Approved the placing of a barricade at the end of Robway Ave. to prevent cars from going across the open field onto the San Jose-Los Gatos Road. The request was made by Earl A. Perry, 744 Robway.

5. Approved, pending the completion of a new subdivision in the area, of the placing of a barricade on Fewtrell Drive.

6. Set the date of May 21 for the hearing on the annexation No. 1956-3, for a 3-acres located on the southwest corner of Union Ave. and Campbell Ave.

7. Approved the recommendation of Chief of Police Robert Locke that a new Ford be purchased for the police department to replace the car demolished in a traffic accident two weeks previosly. The wrecked car would be turned in on the new car.

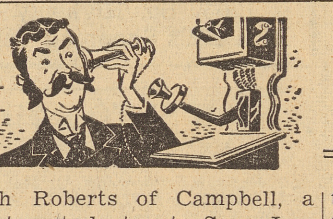
8. Councilman Gordon Daum, who was not seeking reelection because of the press of personal business, was lauded by his fellow councilmen for his cooperative efforts for city betterment during the past two years. Daum in turn extended his thanks to the other council members.

Incumbents Only

Only the incumbents on the school boards in this area have indicated that they will file for the May 18 trustee election. Filing ends on next Wednesday, April 18.

Although a number of residents in the area have suggested various candidates, no candidate other than the incumbents have been officially entered.

Raymond B. Bishop, longtime member of the Campbell Union High School District, has filed nomination papers for the one seat open on the district board and incumbents John Dixon and Tom Mansfield are the only ones who have filed for the two positions open on the Campbell Union Elementary School District.



On The Line in Campbell

Hugh Roberts of Campbell, a graduate student at San Jose State, and Edith Alock, an English major at the college, will each team with one member of a visiting debating team from Scandinavia tonight in the Concert Hall of the college Music Building on the campus. The visitors, Harold Uncas Serner of Sweden and Paul J. Svanholm of Denmark, are both law students. Subject will be: "This house approves the rise of nationalism in Africa and the Middle East". The debate is scheduled for 7:30 p. m.

Raymond F. Triplett, 411 Cambrian Drive, Campbell, has qualified as a member of the 1955 President Council of the New York Life Insurance Company's Top Club, according to Dale W. Hanson, C. L. U. general manager of the company's branch at San Jose. Membership in the council is based on 1955 sales records. Hanson has also qualified to attend an educational conference in Palm Springs. California, April 18-22.

—o—

The first graduate of Pacific Union College 44 years ago, Angwin in Napa County, Mrs. Lewis Caviness, will be honored guest and speaker at the annual Alumni and Founders Day this Friday. Three Campbell residents who are alumni of the college and have been invited to the exercises are Lois M. Fessler, 740 Salerno; Harold Hare, 41 Cypress and Earl MacPhee, 34 Rincon.

—o—

Jack Leonard Zog, 22, 850 Arnold Way, Campbell, was injured Saturday when his car struck a heavy air compressor parked in the 1300 block of Naglee Ave., in San Jose.

—o—

Directors of Sanitation District No. 4 have approved the annexation of 63 acres of the R. M. Barthold property, west of Saratoga Ave., opposite Fruitvale Ave. The annexation will provide for sanitary sewer facilities for a 270-home subdivision to be constructed there. Directors also approved the loan of $20,000 from the general fund for a sanitary sewage project serving homes between Campbell and Los Gatos. The loan will speed up the project because money won't be coming in from assessment of property owners for several months.

—o—

Through the combined efforts of the Los Gatos and Campbell police departments, Jackson Lester Wood, 54, of Campbell, was arrested Monday at 291 W. Campbell Ave., by Chief of Police Robert Locke and Officer Dick Mayne in connection with the passing of several forged checks in this area. He was arraigned in the San Jose municipal court on Tuesday.

—o—

Norman S. Kimble, 36, 21 Kennedy, arrested last week by Campbell police for passing fictitious checks in Campbell was held to answer in the Superior Court this week.

—o—

The Campbell police, following on the heels of the general warning issued last week, on Saturday issued 21 citations for parking on the wrong side of the street. An additional 25 warning citations were issued also for the same offense.

Actors Start Work For Old Settlers' Day

Interest in the preparations for the 64th Old Settlers' Day on May 4-5-6 centered this week on the tryouts and casting for the Footlighters melodrama, "The Curse of an Aching Heart" or "Trapped in the Spider's Web" which will be presented on the first night of the three-day celebration. Under the direction of Margaret Douglas Chamberlin of the San Jose State College drama department, most of the casting has been completed and rehearsals are well under way. Several newcomers have been cast from the group of enthusiastic aspirants for roles in the tear-jerking "Melodrammer".

Maravene Barnett will play the heroine, Melody Lane; George Nelson the part of Lucius Goodenough; Chuck Heddy that of Windermere Hightower, the villain; W. W. Johnson that of Hiram Abernathy; Marian Nelson plays Hiram's wife; Phyllis Parmenter takes the part of Battle Axe Annie.

Other characters include; Alma Fanning as Muriel, cohort to the villain—with heart just as black; Edna Bowles as Nellie, she of the school board and garrulous manner; Pat Meiss as Red Wing, the Indian girl with an important secret; Betty Adams as Aurelia Abeanthy, the vivacious and naive daughter of Sara and Hiram; and

BANK TO BUILD IN TOWN

American Trust Company has purchased the southwest corner of Campbell Ave., and Second St. in Campbell as a site for a new bank building, according to an announcement made this week by Fred J. Oehler, vice-president and general manager.

The new bank site, which is three blocks west of the bank's present location, 280 E. Campbell, has a frontage of 150 feet on Campbell Ave. and 146 feet on Second St. It was purchased from Mrs. Elizabeth Watson and Courtland Watson, Jr., of Tucson, Ariz., widow and son of the late Courtland O. Watson who died in February, 1955.

There are four buildings on the property at the preent time. The structures will be removed in the near future and the construction of the new banking quarters will be started as soon as working drawings can be completed.

The principal building on the site is a two-story house facing on Campbell Ave. The house has been vacant since the death of Mrs. Carrie L. Watson in Februarry, 1953. The other buildings are rental units and are occupied at the present time.

The main house was built by Mr. and Mrs. Leroy Watson in the 1880's. Mrs. Watson was born in Campbell and the house was built on land that was originally a part of the Campbell ranch. Mr. Watson operated a general store located where the Campbell Hotel is today. Mr. Watson died in January, 1949. Their son, Courtland, who died last year, was born in the house that will now be torn down to make way for the bank.

Joaquin J. Payne, manager of the Campbell office of the American Trust, said that "the tremendous growth of our business in the Campbell area has made our present quarters inadequate. Our new building will relieve this condition and provisions will also be made for parking facilities directly adjacent to the bank".

The announcement by the bank was hailed in all quarters of the community as one of the most progressive steps yet made in Campbell in order to keep pace with the growth of the community. Some even suggested that it might be a start in the general overhaul or "face-lifting" of the Campbell Ave. business district.

SUFFERS HEART ATTACK

Claude Smith, candidate for the City Council in last Tuesday's election, suffered a heart atack on the previous Thursday and was taken to O'Connor Hospital. He was returned home the next day but will be forced to take it easy for the next six weeks, according to doctor's orders.

CHARGIN, ROSE, FAIRCHILD WIN CITY COUNCIL SEATS

ONLY 27 PER CENT CAST BALLOTS IN LIGHTEST VOTE IN LOCAL HISTORY

Only 27 per cent of the 2385 registered voters in Campbell bothered to go to the polls on Tuesday when three new councilmen were elected for four-year terms. Named to the positions on the council were John Chargin and Charles Rose, incumbents, and Myron L. Fairchild. Councilman Gordon Daum did not seek reelection.

Chargin, an attorney polled 438 votes to lead the pack of nine candidates in the race. He was followed closely by Rose, a local merchant, who garnered 418 votes. Chargin carried two of the four precincts (high school and fire house) and Rose carried the other two (grammar school and Baptist church.

Fairchild Wins

Fairchild, an investment broker and newly appointed manager of the Campbell Merchants Stamp Association, gained the third seat open on the council by garnering 348 votes. He had a 93 vote lead over Mrs. Carolyn Coons Payne, a teacher and lone woman in the race, who ran a strong fourth with 255 votes. The other five candidates lagged far behind. Jerry Collins was in fifth pot with 105 votes.

Although there were nine candidates seeking the three positions, the election campaign was rated as one of the most listless in the city's short history. Only one public meeting was held, at which less than 50 citizens attended, and no clear-cut or controversial issues enlivened the battle.

Most local observers of the post-election situation felt that the favorable vote given both Chargin and Rose indicated an endorsement of the present city administration. Both the incumbents stressed that they were "standing on their records" made as city dads during the last two years.

The three new councilmen were elected for full four-year terms. In 1954, when after two years of being a city, five councilmen were elected, the two highest vote-getters at that time, Mayor Richard Morton and Jim Arends, were named for four years while the other three successful candidates at that time, Chargin, Rose and Daum, got the two-year job. Morton and Arends, along with City Clerk Dorothy Trevethan and City Treasurer E. C. Merrill will serve for two years more.

Lowest in History

The 670 votes that were cast in Tuesday's election is the lowest number turned in for any of the four elections held by the city. In the incorporation election in 1952, 1319 votes were cast; in 1954, 842 and in the bond election of October, 1955, there were 1059.

There are four absentee ballots out, the city clerk announced, but because of the spread in the votes the results will not be affected in any manner. Verle Grizzle received one write-in vote at the grammar school precinct and William Parker got one at the Baptist church polling place.

The complete vote follows: Chargin, high school, 90; grammar school, 133; fire house, 128; Baptist Church, 87; total, 438; Rose, high school, 78; grammar school, 157; fire house, 91; Baptist church, 92; total, 418; Fairchild, high school, 69; grammar school, 96; fire house, 104; Baptist church, 79; total, 348; Payne, high school, 55; grammar school, 76; fire house, 67; Baptist church, 57; total, 255; Collins, high school, 19; grammar school, 31; fire house, 42; Baptist church, 13; total, 105.

Bohn, high school, 13; grammar school, 27; fire house, 46; Baptist church, 14, total, 100; Smith, high school, 14; grammar school, 32; fire house, 17; Baptist church, 35; total 98; Burt, high school, 12; grammar school, 41; fire house, 18; Baptist church, 11; total, 82; Hull, high school, 14; grammar school, 27; fire house, 23; Baptist church, 10; total, 74.

COUNCIL NAMES MAYOR TUESDAY

Campbell's City Council will at 8 p. m. next Tuesday, April 17, at the fire house, 41 N. Central instead of usual meeting place, the Country Woman's Clubhouse. Election ballots will be canvassed and the new council will be organized at this special meeting.

The three councilmen elected, John Chargin, Charles Rose and Myron L. Fairchild, will be sworn into office by Dorothy Trevethan, city clerk. After this ceremony, the three, plus Mayor Richard Morton and Councilman Jim Arends will name the mayor and mayor pro-tem from their group.

If Mayor Morton declines to accept the mayorality again, indications are that Councilman Chargin will be elected to the office by his fellow councilmen.

LOCAL WOMAN GETS TOP POST AT HOSPITAL

Mrs. Vaughn (Peggy) Prettyman, 681 Hedegard Ave., Campbell, has been named chief administrator of the Doctors General Hospital in San Jose, it was announced this week.

Mrs. Prettyman with her husband and son Darryly, 14, and daughter, Susan, 12, has been a resident of Campbell since 1952, coming here from Fresno where she was employed at St. Agnes Hospital. Her husband is an electrical contractor.

Since January 15 she has been acting administrator of the hospital and was officially appointed administrator on March 30. She had been assistant administrator for 18 months prior to that time. She came to Doctors Hospital in October, 1951 and was office manager until appointed assistant administrator.

She grew up in the East Bay, attending schools in Oakland and Berkeley, and has been in hospital work for the past 10 years.

In her position as administrator she organizes and coordinates the various departments in the hospital. She also interprets and administers the hospital policy as set down by the governing board.

REV. JOSEPH BENNETT

REV J. BENNETT, FORMER LOCAL PASTOR, EXPIRES

Rev. Joseph Henry Bennett, 69, former pastor of Campbell Congregational Church and pioneer of Cub Scouting in America, died in a San Jose hospital Monday, after being stricken Friday in the home of Mayor Richard Morton, where he was conferring with Mrs. Morton on a church project.

Rev. Bennett was born in London, England, January 21, 1887 and left England in 1927 to become pastor of Campbell Congregational Church, where he remained for 19 years, taking an active part in youth activities during that time.

He started the first Cub Scout group in the United State, in Campbell, copied after the English Cub Scouts. His group, known as Experimental Den No. 1, did not immediately receive approval of scout executives who did not believe it would work. After two years, Rev. Bennett's group received approval from Scout headquarters and Cub Scouting in America was officially launched. His son was a member of the first troop, as was Campbell's mayor, Richard W. Morton, along with many other Campbell citizens.

After leaving Campbell, Rev. Bennett was associated with First Congregational Church of Loomis; Ocean View in San Francisco and Cloverdale Congregational Church. He also served with Calvary Methodist Church in San Jose, during an illness of Dr. James Strayer.

Until very recently Rev Bennett has been assistant pastor with Rev. Gordon King, of Saratoga Federated Church where he was noted for his youth work and Scout activities.

Rev. Bennett made his home at 109 Poplar Ave., Campbell.

Surviving are his wife, Helen, and son, Dennis, who is rector of St. Marks Episcopal in Van Nuys, also a sister, Miss Elsie Bennett of England. He also leaves three grandchildren.

Services were conducted at 3:30 p. m. yesterday at the Campbell Congregational Church. Dr. Corwin Olds, pastor of Campbell Congregational Church, assisted by Rev. Gordon King of Saratoga Federated Church, officiated at the services.

CAMBRIAN SIGNS UP KINDERGARTEN

The Cambrian Elementary School District announces the opening of kindergarten registration. Parents should bring proof of birth date (birth certificate or baptismal record) to the Cambrian School, 481 E. Casey Rd., the Steindorf School, 13901 Ross Ave., or to the Bagby School, Harris and Custer.

PLANNERS APPROVE RUBBISH DUMP HERE

By a 4-3 vote the City Planning Commission last Thursday night approved the operation of a cover and fill dump to be located in the Los Gatos Creek bed.

The application was granted George Bumb at the continued public hearing despite the protests of a number of residents and a real estate agent representing a group of his clients who are planning a huge market for the immediate vicinity, the commission gave its blessing. Both Chairman Hyde and Commissioner Les Harmon, who spoke out strongly for the cover and fill operation, maintained that such an operation would be an asset for the town and a great improvement over what now exists.

Commissioners Sam O'Brien, T. R. Solari and K. D. Priestley opposed the dump but Commissioners Hollis Logue and J. A. Tomlinson joined Hyde and Harmon on the affirmative side. Prior to the final vote, a motion by Solari to deny the application was lost through lack of a second.

Among the objectors to the dump was W. W. Johnson, 705 Ridgeley Drive, who claimed that burning of the rubbish that now fills the area would cause an inconvenience in the immediate area. Bumb explained that he thought it would be necessary to burn the rubbish, mostly tree stumps, and that this burning could be accomplished in a few days. However, Campbell Fire Chief Jack Scott by letter had informed the Commission that his department opposed the burning of any description in the proposed dump area.

In granting Bumb permission to operate the dump which would be available for public use, 16 conditions were laid down. These included putting up a $2500 performance bond, a description of the type of operation (trench and fill with a 6-inch cover every 72 hours), no burning of any description, only dry rubbish allowed, there would be no standing water, proper equipment must be used, there must be adequate access to it, a responsible person must be in charge at all times that the dump is open to the public.

Bumb indicated that he would be ready to start the operation in the dump in about 10 days, despite the announcement by Frank C. Iusi, San Jose real estate agent, that his clients, who were planning a $400,000 super farmers market on the San Jose-Los Gatos Road, would oppose any dump permit in the area. The deal for the market was only in the negotiations stage, however, he said, and would be 90 days before it would be completed.

Iusi indicated that the proposed market would have a 300-foot frontage on San Jose-Los Gatos Road and would extend almost 1200 feet to the creek. He said a group of San Jose business people were interested in it. The building would have 40,000 square feet with a 30,000 square foot basement. He said that his clients felt that the cover and fill dump would be detrimental to their operation.

Other objectors to the dump operation were Verle Grizzle, Campbell businessman who resides near it and the Brynteson ranch property, represented by the ranch manager at the meeting.

WANT A STREET?

Members of the Campbell Planning Commission learned Thursday night that Whitehall St. in Campbell was privately owned and those who lived on the unimproved road had been granted egress and ingress by Mrs. Mildred Davis, 300 Whitehall St.

Mrs. Davis told the commission that she was financially unable to improve the street and that until it was improved it could not be taken over by the city, provided the city wanted it.

The question of the street ownership came up during the continued hearing on the zone change application of Joseph and Connie Russo who wanted to build a sheet metal warehouse on the street. Residents objected to such construction claiming that the traffic would increase and thus make the street in worse shape than ever.

That was when is was revealed that Mrs. Davis owned the thoroughfare.

By a 5-2 vote the commission approved the zone-change. Commissioners Hollis Logue, L. W. Harmon, K. D. Priestley, T. R. Solari and J. A. Tomlinson favoring the change.

The commissioners had no answer however, as to what Mrs. Davis could do with her street.

In other actions the commission:

1. Continued the hearing on the application of Myron English for a zone change on Winchester Road so that he could construct a 50-foot frontage office building on that street. English was represented by Edward Bean, San Jose attorney. Objecting to the zone change were representatives of the Assembly of God Church who said that their church owned 100-foot lots on either side of the English property.

They protested any change of zone because it would affect the church activities.

Bean told the commission that his client had attempted to negotiate with the church to make a trade for 50-feet of one of their lots but that the house extended over the center line. Bean also said that he felt it was unfair for the church to virtually use condemnation tactics in protesting the zone change just because of the inconvenience that would be caused.

The commissioners suggested that the two parties negotiate some more and present the matter again at the next meeting.

2. Approved the application of M. Tock for a dwelling to be erected in a C-2-S zone just off San Jose-Los Gatos Road on East Campbell Ave., but disapproved his application for a variance to allow for a setback on the property.

It was pointed out that under the plan presented Tock's building would only be 6-feet from his neighbor's property but he would have 30-feet in the front. The commission asked him and his designer, Robert Ferguson, who was present to reverse the plans, but Tock stood firm. The commission then denied the variance.

CUHS BAND PLAYS FOR ROTARY CLUB

Campbell Rotarians had a musical program last Monday, when Bill Perkins led Campbell High School band in a group of musical numbers.

Sam Cava, chairman for the meeting, made arrangements for the band's appearance.

BIDS AT POST OFFICE

Bids are being received at the Campbell post office for the rental of two additional motor vehicles on an hourly basis for parcel post and mail delivery. Interested parties may contact Postmaster Ira Grim for further information.

More About Cast Starts

(Continued from Page One)

"The Unexpected Arrival"—is still a secret.

There are also plans being made to provide an Olio which will help to keep things humming for an evening of smashing entertainment.

In other actions on the Old Settlers' front, it was announced by Sam Cava, Chamber of Commerce manager and coordinator of the affair, that the tenth band of 50-piece unit form the Pala elementary school, had signed up and that a second entry in the mother-of-the-year contest had been entered.

He said that Mrs. Clarence F. Helmbold, 535 Union Ave., had been nomiated by the Cambrian school district for the signal honor of being chosen mother-of-the-year for the Campbell rea.

Cava also reported that Governor Goodwin Knight,, who had been invited to the celebration, this week informed the committee that conflicting dates made it impossible for him to attend. He sent his regrets and warm personal regards to the community and extended the wish that the community have a most enjoyable and memorable celebration.

PG&E OFFICIAL DIES FROM BURNS

William R. Bowler, 55, San Jose division manager of Pacific Gas & Electric Co. died Sunday morning at the County Hospital from extensive electrical burns suffered in an apparent suicide attempt made at the Campbell sub-station, Central at Hamilton Ave.

The PG&E official, according to the reports of the Campbell police, at 11:25 a. m. Saturday wrapped a steel chain about his neck and threw the other end over a 60,000-volt circuit breaker at the local substation.

The resulting short circuit flash was heard and seen for blocks. Carlyle Norment, operator of the Union Oil service station across the street from the substation, called the police and firemen. Officer John Moragn answered the call with local volunteer firemen found Bowler with his clothing all burned off and his entire body seared.

He was moved to the hospital by the officers where he died shortly after midnight. Funeral services were held Tuesday. He is survived by his widow, Doris, and a daughter, Mrs. Barbara B. Hefner, of Sacramento and a grandson.

Mamie Eisenhower, wife of the President, was born in Boone, Iowa, Nov. 14, 1896.

EDITORIAL

BUT THERE IS AN ISSUE

It is an obvious fact that the problem of schools and more schools, with all their contributing factors, is by far the most important pang in the growing pains of this area.

There are many other problems that must be faced as this virtual boom continues. Among other things, there must be long-range planning in the city itself. Local business people must be prepared to act or wither on the vine, for times are changing. Fast.

Although the time is short when measured by the overall picture, some of these problems concerned with growth can wait for a short time. But not the school situation.

We have our school problem with us right now, have had it for some time and it will continue to be with us for many, many years to come.

Every person in some manner or other is affected by the school situation.

There is nothing else that touches, directly or indirectly, every single soul living here.

That is why it is difficult in any manner to justify the apathy when it comes to the naming of trustees for the school districts.

The election for the various boards of education in the area takes place May 18. The filing for candidates ends next Wednesday, April 18.

Very few people have indicated any interest in whether or not anyone files for any of the offices that are open. In most cases, the incumbents have been drafted to take out their papers again. No one else seems to care.

We maintain that attitude is all wrong.

Whether the present school boards are doing a good job is not our point of contention. Undoubtedly most of the trustees are unselfishly devoting their time to the best interests of their districts and are doing a good job.

What is all wrong, to our way of thinking, is this indifference on the part of the voters when it comes to something that directly or indirectly touches on all of us.

We admit that it sometimes is difficult to get worked up over candidates and issues that are nation-wide or even state-wide in scope. But school district elections are not a part of the big political picture. Trustees are divorced from politics in the strict sense of the word.

Trustees are elected to be watch dogs of the schools in the districts. No one can be naive enough to assume that trustees in this day and age can know every detail of school problems and the workings of the district. They are there to see that certain policies are carried out by the professionals and that the people of the district are getting value received.

We cannot reconcile ourselves to this indifference on something that is of such vital importance to us all. The tax dollar itself, which plays such an important part in one's budget today, is not the only consideration.

How about the kids themselves?

Is the money the people are spending doing the job? And how do you know?

An editor ranting and raving in his editorial columns may not be enough to create the interest that is necessary. Even those who read these words and agree will probably shrug and comment, "Heck, the present board is doing o.k., why bother."

But we should be bothered.

This apathy is not good. Why should so little interest be shown in the most important phase of American life today .... and the future?

It is unhealthy and it is dangerous.

We have too much at stake to let things slide because there doesn't seem to be any issue involved. and when the surface seems calm and unperturbed.

But there is always an issue.

Interest in the younger generation, the tax dollar and in America itself should be enough of an incentive to provide any sort of issue you want.

WERE YOU IN THE 1700?

In the municipal election on Tuesday of this week only 27 percent of the registered voters cast ballots.

Of the 2385 voters on the register, only 670 bothered to take the time or make the effort to go to the polls on Tuesday.

We think such apathy is shameful, but we admit mere editorial exclamation is not enough to awaken the citizenry to their responsibility. Something else is needed, we don't know what. We are at a loss to know just how to get the people to snap out of their lethargic state.

It is a sad commentary on the democratic way of life we have had instilled in us from childhood. In Tuesday's election, three candidates were named to the governing body of our city by only 27 percent of the registered voters.

More than 1700 voters eligible to cast their ballots did not bother to do so.

Yet if these three people who were elected Tuesday by this meager vote should take action while councilmen in opposition to the views of some of the local residents, these same residents would raise the rooftops with their cries of anguish.

We suggest that before any resident sounds off in criticism about what is going on in the city government that he should first ask himself whether he visited a polling place on April 10, 1956.

If he was among the 1700 who did not vote, his cries should be tempered accordingly.

OUT on the LIMB

with

George Vierhus

Since our arrival on the Campbell scene we have had excellent training in patience, something we might add, in which we have never made too good grades in the past.

Our first lesson in attempting to acquire this commendable trait at this late date came in attempting to acquire a house under the G. I. bill.

We proceeded to get our army record together and applied for a house in the new Westchester Park shortly after our arrival here. We had been told that it would take time for all the papers to wend their way through the maze of governmental red tape. We were more or less prepared for a couple of weeks of delay on that score.

—o—

But the weeks have extended into more than two months and we are still waiting (as we write this), although from what we gather the way is almost cleared. It is almost possible, we are told, to see the end of the red tape that has entangled the deal from the start.

Both Mrs. Edith Brandt and her assistant, Everett Gates, the local real estate people who started the endurance contest from this end, have done everything possible to speed up the situation. But their hands are tied.

The Veterans Administration moves ahead at its own set pace, at a speed, incidentally, which no self-respecting snail would claim.

Of course we are prejudiced. And a little exasperated to boot.

As we pointed out, we have never won honors in patience. But we feel that we are getting our real test under fire in this case.

—o—

In addition to the necessary biting of finger nails and the self-control we must exercise to keep our half-Irish temper under control, we also feel somewhat like the man who came to dinner and stayed on and on and on.

Lester Lafferty, the former publisher of The Press, in an unguarded moment generously invited us to stay at his home, 110 Catalpa Lane, while our house deal was going through.

That was more than two months ago and we are still with him, still waiting.

So far he hasn't taken steps to kick us out but we have a sort of a guilt complex about it and only getting into our own home will overcome it.

And, of course, there is always the point that the powers-that-be may decide that we are a poor risk or something and reject the entire project.

Come to think of it, maybe we should have held up on this tirade until we were comfortably settled in our own castle.

—o—

From the start, by the way, we have enjoyed our stay on Catalpa. We like the sound of "Catalpa Lane", as a name of a street. We enjoy repeating the name with the various inflections that can go with it.

We learned that it gets its monicker from the tree by the same name. We checked with Webster to acquire a little working knowledge about it and found that it is of American Indian deriviation. Webster reveals that it is of the genus of hardy trees, having heart-shaped leaves with showy clusters of trumpet-shaped flowers and long cylindrical pods.

A Catalpa tree still stands majestically in the front of the Ed Kennedy residence on the lane, and the street curves around it.

The Kennedy, incidentally, owned the land before it was subdivided.

—o—

We are interested in Webster's description about the "trumpet-shaped flowers" on the Catalpa tree because for a number of weeks we have heard a tooting of a horn and thought perhaps the leaves were trumpeting.

When we mentioned to Les that we had heard a horn, he shook his head sadly and told us to take it a little easier at the office.

Although we continued to hear the tooting, we naturally kept it to ourself until Frank Pierson, who lives at 100 Catalpa Lane, mentioned that his son practices on the saxophone from time to time.

We were greatly relieved at that, although Les was a little disappointed that Frank had let the horn out of the bag.

Miss Judith Ann Keech was recently elected secretary-treasurer of the new Kappa Alpha Theta pledges at San Jose State College. Judy, a freshman at State majoring in medical technology, is the daughter of Mr. and Mrs. Howard Keech of 561 Old Orchard Road, Campbell.

Mr. and Mrs. Paul V. Yowell and sons Bill, Bob and Rick, of 343 April Way, reported they had a wonderful time recently on their trip to Disneyland.

Mrs. Robert Curry (Curry Plumbing) entertained at a coffee hour in her West Campbell Ave home Monday afternoon, sponsoring Mrs. Carolyn Payne, candidate in the recent city council elections.

We had previously had a little discussion over mocking birds that sing all night on Catalpa Lane. Lafferty had heard them. But we hadn't been too sure.

As a matter of fact in this newspaper profession, anything may happen.

And generally does. Those mocking birds, for example, could have been tooting the "trumpet-shaped flowers" of the Catalpa tree.

We are glad, in a way, they weren't.

Or we might have gone to Ike himself to get moved into our new home.

AN APPEAL

On Monday, April 9, two teen age boys were observed trespassing on the Scorcur ranch near the packing shed by the Los Gatos creek, just off Union Ave.

When the tenant returned from work he discovered several things missing. The most valuable thing stolen was a newly conditioned and painted rear wheel of a racer bike which was being prepared for a partial cripple.

This act on the part of some thoughtless boys brings sadness to one who had hope of gaining strength riding the completed bike.

If the wheel and other articles are returned promptly, no further action will be taken.

New Plates Help In Identification Of Traffic Cases

The new California license plate number system which has been initiated with the 1956 plates enables persons who witness hit-and-run accidents to more readily be of assistance in apprehending hit-and run drivers, says the Highway Patrol.

"We would like to have the entire number from the license plate and the make,color, and year of the car", Patrol Commissioner B. R. Caldwell declared this week. "If complete information cannot be obtained, witnesses can help investigating officers considerably if they secure the first three letters of the license plus the make and year model of the car. We suggest you be alert for these factors if you should witness a hit-run accident.

Whatever information you obtain should be forwarded to the California Highway Patrol as soon as possible", he added. "If the accident occurs in an incorporated city, follow the same procedure but give the information to the local police department."

Last year the Patrol recorded over 2000 hit-run cases, each of which might have been more readily solved if a witness had accurately recorded the license number of the errant driver's car.

Year-round recreational, sports and entertainment activities are plentiful in San Francisco.

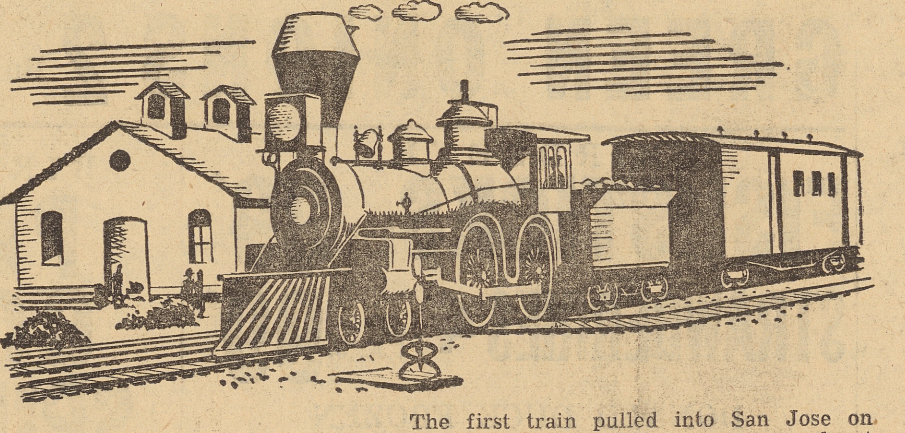
90 YEARS

OF DEPENDABLE WATER SERVICE



The first train pulled into San Jose on January 16, 1864, and the passenger depot on San Pedro Street near Bassett was the southernmost terminal in California. By 1869 San Jose had a direct connection to the transcontinental railroad.

San Jose Water Works is now in its 90th year, the oldest privately-owned water utility in California.

Since 1866 dependable water service provided by this company has helped to make possible the continuing growth of San Jose and the surrounding area.

In the last 10 years this growth is indicated by a 100 per cent gain in the number of people who depend on us for water service.

During any one of those 90 years San Jose Water Works has been ready to serve new residents of this section of the Santa Clara Valley because water supply always has been planned in advance of need.

Back in 1870 the development of the Company's Santa Cruz Mountain water supply began with construction of two storage reservoirs on San Jose - Los Gatos Road, and expansion of this supply has continued ever since. Combined with the underground water from wells in the valley, today this mountain source gives residents and industries of our service area the protection of a dual supply. This disaster "insurance" is enjoyed by relatively few urban areas anywhere in the country.

In 1956 as in 1866 we still look to the future. We continue to plan for increased supplies to serve you when needed.

TRAFFIC DEATH TOLL FOR 1956 JUMPS OVER '55

California's traffic death toll of 799 for the first three months of 1956 is 18% higher than the same period last year according to provisional figures released this week by the California Highway Patrol.

"If this increased rate is maintained throughout the balance of this year, we will record the worst traffic fatality score of our history," declared Patrol Commissioner B. R. Caldwell. "Even a 7% increase for the year will exceed the all time traffic death record of 3,664 set in 1946.

"The increasing traffic death toll presents a definite challenge to everyone concerned with the problem," Caldwell continued.

"The Highway Patrol, knowing that about 90% of these deaths are caused by traffic violations, expects to meet this challenge with continued firm and impartial enforcement directed toward reducing the number of accident causing violations," he said. "The challenge must also be met by every individual interested in stopping the continuing slaughter on our highways. Obey the rules and avoid becoming a traffic victim."

A little more patience, a little more charity for all, a little more devotion, a little more love;......... and the race will be ripe for a great burst of light and life.

"JUNIOR EXECUTIVE" . . . 8-month old Gary Hart, baby show title winner, with parents, Mr. and Mrs. Richard Hart. Gary is great grandson of John R. Lynden of Campbell.

BABY SHOW TITLE IS WON BY GREAT GRANDSON OF J. LINDEN

Winner of the title "Junior Executive" at the annual baby show held recently at Boston University's school of theology, was 8-month-old Gary Hart, second member of his family to receive the award.

His mother won the award of most beautiful baby at the school twenty years ago while her father, Rev. J. Wesley Farr, pastor of First Methodist Church of San Jose, was attending Boston University school of theology.

Gary is the son of Dick Hart, senior at the university and Doreen Farr Hart. The Harts expect to return to California in June when Dick attends the conference of Methodist Churches. They expect to make their home in California.

Mrs. Hart is granddaughter of John R. Lynden, San Jose-Los Gatos Road in Campbell. Her mother Mrs. J. Wesley Farr is the former Esther Lynden who graduated from Campbell High School.

PLANNING ON PLANTING?

GARDENER'S CHECK LIST

By The California Association of Nurserymen

REMINDERS

1. Delphinium clumps planted now will produce tall spires of flowers during June.
2. Don't forget soil preparation. Your nurseryman can make suggestions which will make your soil more workable. Your plants will be happier too.
3. Gladiolus, Dahlias, and Canna roots should be set out now.
4. If frost is over in your garden, you can plant Fuchsias, Pelargoniums and Geraniums.
4. Aphids multiply rapidly during this warm spring weather. Don't let them get ahead of you.

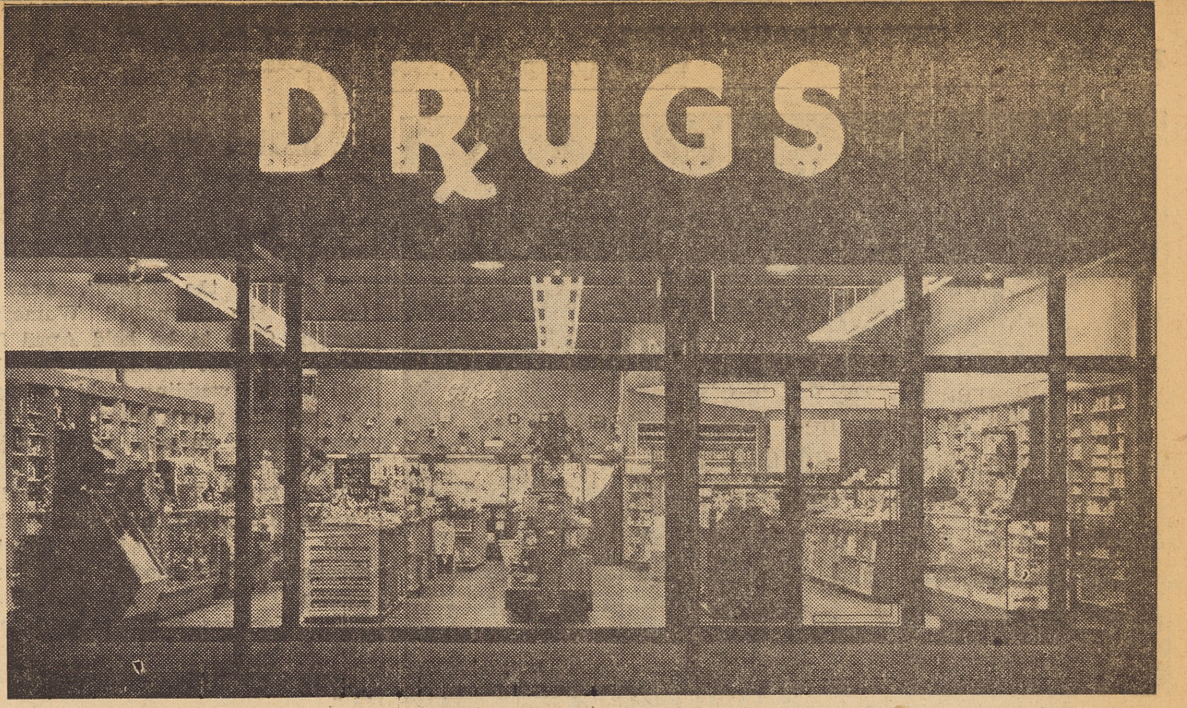
Annuals For Summer Flowers

Summer is the time for great bunches of colorful indoor bouquets as well as for masses of brilliant flower rainbows in the garden and patio. In choosing plants for summer color, no flower exceeds the annual in providing beautiful and plentiful summer blooms.

The Snapdragon is suggested because is blooms in a wide selection of colors as well as sizes. Botanically known as the Antirrhinum, the Snapdragon is a cool season plant and fine for early summer before arrival of really hot weather. Plant Snapdragons in rows as borders or backgrounds or combine them with other annuals of contrasting colors.

Other beautiful annuals are French and African Marigolds. Set out now, plants will produce flowers as early as mid-summer. Depending upon the age of a particular plant, the blooming period begins as early as June and continues through late fall. Plant both in the sun. The French Marigold is a bushy, branching plant with dark green foliage and strongly scented flowers brilliantly colored in brown, yellow, orange and gold. The African variety is considerably larger reaching one to two feet, has larger leaves and large double sulphur yellow to deep-orange balled flowers. It blooms through summer and late fall.

Miniature Stock for excellent summer flowers in garden and home is the Malcomia maritima or Virginian Stock. It has scentless blooms in shades of white, cream, pink, rose, crimson and lavender.



DRUGS

OPEN FOR BUSINESS . . . A striking night view of the new Campbell Drugs and Pharmacy which is staging its grand opening this Friday and Saturday in the Campbell Shopping Center. RECENTLY WED . . . Following a honeymoon trip to San Francisco and Lake Tahoe, Mr. and Mrs. Lawrence E. McCommas are now at home in Los Gatos. The couple was married at the Church of Christ in Campbell on March 18. Mrs. McCommas is the former Miss Barbara Winters of Campbell.

Virginia Rhodes Honored Guest at Bridal Shower

Miss Virginia Rhodes, former Campbell resident and graduate of Campbell schools, who now lives in Sacramento, was honored guest at a bridal shower given by her friend, Miss Isabelle Kirk, on the lawn of her Hawthorne Ave home Sunday afternoon.

Focal point at the lawn party was the large cake, centered with a heart made up of wedding bells and two small pink lace hearts with the couple's names on each heart joined with wedding rings.

Miss Rhodes is the daughter of Mr. and Mrs. Earl Rhodes of Sacramento who lived in Campbell until about a year ago.

She has set her wedding date for Sunday to Rodney Philip Beard, son of Mr. and Mrs. Franklin Beard, prominent Modesto ranchers.

Many of Virginia's Campbell friends attended the shower. Following is a list of Campbell and other Santa Clara Valley guests: Mmes. Carmie Webster, San Jose; Donald Hager, Fresno; Leslie Rhodes and Ralph Rhodes, both of Aptos; Gladys Webster, and David Steward of San Jose; Franklin Beard of Modesto; mother of Virginia's fiance; Harold Richardson, Charles Ford and Clayton Ford, all of Los Gatos; Mrs. Knox Bentley and Miss Carolyn Bentley of Santa Cruz; Miss Pat Golden and Miss Judy Kolze of Campbell, Miss Peggy Stamp of San Jose; Miss Beverly Olson of Campbell; Mrs. Edward De Martini of San Jose; the Misses Darlene Bohn, Lorraine Babcock, of Campbell; Mmes. Gene Chandler and Jessie Costa of Campbell; Miss Carolyn Frey of San Jose; Mrs. Roy Mesa of Los Gatos and Miss Norma Musler of Sunnyvale.

CLUB PLANS LIBRARY TEA

"Library Tea", annual affair of the Campbell Country Woman's Club is being planned for the afternoon of May 7 in their clubrooms in the library building.

In charge of the affair will be the following members of the library committee: Mmes. J. D. Cantoni, D. B. Pressler and Walter Elkey. Other committee members for the tea are: Mmes. John Perata, Felix Bersano, J. C. Agostinho, Elmer Hoerler, Florence Cottle and G. H. Parker.

From its formation in 1857 until 1888 the Mechanic's Institute at San Francisco was the only industrial education establishment in California.

Wedding Gown Fashions Shown At Club Tea

"Through the Years", annual tea of the Campbell Women's Service Club to be held April 21 in the new First Methodist Church, will feature wedding fashions over the past 100 years, when authentic gowns from various periods will be modeled.

Mrs. Edith Van Rossem, well-known Campbell musician, will play traditional wedding music throughout the modeling of the gowns.

Dan Knowles, baritone, and Arline Carol Cox, harpist, will be guest artists performing at the affair.

Mrs. Earl Buck is general chairman for the affair. Other committee members are: Mrs. Rudy Golden, program chairman; Mrs. L. E. Means, tickets; Mmes. LBen Howard, Everett Nelson and Earl Buck, properties; Mmes. E. R. Foreman and D. R. Chamberlin, publicity; Mmes. Norman Pratt, Lawrence Quinsland, Everett Frye, George French, Oliver Buehner, C. T. Mitchell and Merlin Bohnett, refreshments.

Hall decorations will be taken care of by Mmes. George Pounding, J. M. Dahl, Herbert Neale, W. E. Runge, W. B. Creighton and Gunnar Peterson; Table decorations by Mmes. Robert Manthey, Howard Guilbert, Monte Estabrook, Kenneth Becker, F. J. Meritt and Boyd C. Fair. Sweet trays will be prepared by Mmes. Milton Robertson, E. R. Kennedy, J. H. Peterson, the Misses Winnie Grizzle and Ruby Howes. Mrs. Herbert Binley will be in charge of serving girls and on the clean-up committee are Mmes. Frank Richardson, Raymond Davis and Franklin Blaine.

Tickets may be obtained through members or at the door the day of the affair.

DOVER HOME AND SCHOOL CLUB ELECTS OFFICERS

Roy Monsen was elected president of Dover Home and School Club when more than 170 members attended the meeting in the new cafetorium last Monday night.

Mrs. Franklin MacDonald of the nominating committee, announced the following new officers, besides the president; Mrs. W. H. Helbush, vice president; Mrs. James Thorne, secretary and Ross Atkinson, treasurer.

Duane Beaubien, principal of the school, introduced teachers with their classes who participated in the program following elections. Mrs. Dorothy Orey directed her second graders in three folk dances, and Richard Miller's sixth graders demonstrated tumbling techniques. Science quiz was conducted by the fifth grade class.

Mrs. Virginia Langfeller, executive director of Camp Fire Girls of Santa Clara County, spoke briefly on Camp Fire Girl activities.

The evening was concluded with serving of refreshments by Mr. and Mrs. Pat McBride, hospitality chairmen.

Migrant Camp Program Planned

More than 60 members representing Youth Groups from Campbell, Cambrian Park, Los Gatos and Wesley Methodist Churches met in Campbell First Methodist Church Fellowship Hall Snuday night to plan training for volunteer service in local migrant camps during the summer.

Mrs. J. C. Goble, chairman of Migrant Work Committee of Santa Clara County Council of Churches, gave background information and showed slides of vacation, school, recreational and religious activities which are taken out to local migrant camps every summer by her committee, and a team of trained youth and adults representing Division of Home Missions of the National Council of Churches every summer.

Adults interested in migrant camp service will receive training at an institute planned in late June at the Saratoga Federated Church.

ART TEACHERS' WORKS DISPLAYED

Mrs. Marian Winston and her daughter, Mrs. Barbara Blackmun, will have some of their art works displayed at the Campbell Stationery during April. This is the fifth year the original art works of local painters has been on public display for local residents to see. Arrangements for showing are made through the Los Gatos Art Association.

Mrs. Winton is art teacher at Campbell High School and has been head of the Campbell High School art department since coming here about ten years ago, reportedly with a record of honors both for her exhibitions and as a teacher.

Her daughter, Barbara, is a graduate of University of California at Los Angeles and a member of Delta Epsilon Art Honorary Society.

Col. Walter Winston, U. S. A. retired, is husband and father of the two. All live on the family ranch in Los Gatos.

The official language of Haiti is French.

METHODIST CHURCH PLANS DEDICATION

Mrs. J. M. Dahl was named general chairman of the committee in charge of preparing for consecration of the new First Methodist Church which will be held May 20.

The group, which met at the parish house on April 4 is composed of the following members: Mr. and Mrs. Roy Kohler, Miss Janet Quinsland, Mrs. Dean Chamberlin, Mrs. Louis Brandon, C. C. Helmbold, Mrs. Oliver Buehner, Robert Huber, Mrs. Earl Buck, Rev. Herbert Neale and Mrs. LBen Howard.

CAMDEN STUDENTS ATTEND SJSC MEET

Camden High School will be represented by twelve student assistant librarians and audio-visual technicians at the Northern California Student Librarian Association annual all-day meeting at San Jose State College on Saturday.

More than 800 students and 90 adults have already signed up to attend the conference, which includes both actual librarians and audio-visual assistants.

Miss Murial Carson, Camden High School librarian, will accompany the following students to the conference: Pat Burresci, Wayne Emehiser, Richard Keeney, Tom Watson, Eugene Oliver, Marilyn Gibbs, Carla Cook, Jack Adams, Tom Wright, Lynn Gold, Brad Fregger and Yvonne Picha.

Club Installs Officers at Tea

Lilacs and violets decorated the table when Campbell Garden Club held their installation tea on April 4 when Mrs. Fred Smith, newly elected president, took the gavel from Mrs. M. Parker.

Mrs. R. M. Dunn conducted installation ceremonies, assisted by Mrs. C. A. Drake and Mr. J. T. Thompson.

Mrs. E. R. Miller was chairman for arrangements, while Mrs. Ray Burnett was decorations chairman.

Before turning the gavel over to Mrs. Smith, Mrs. Parker announced that meeting dates have been changed to the first Wednesday of each month, instead of the first and third Wednesdays.

Flowers and plants from members' gardens will be displayed at the May 2 meeting of the club.

ST. LUCY'S WOMEN HEAR TALK ON TV

Educational television and value of programs shown over KQED, Channel 9, was brought out by Mrs. Deranjo, Legion of Decency representative from the Catholic Women's Council, when she spoke at St. Lucy's Women's Club meeting last Tuesday in the parish school.

Mrs. Deranjo urged members to take advantage of programs shown on the educational channel and stressed their importance and value.

RESOLUTION NO. 285

BEING A RESOLUTION AND NOTICE OF INTENTION TO ANNEX CERTAIN UNINHABITED TERRITORY CONTIGUOUS TO CITY OF CAMPBELL, DESIGNATED AS CAMPBELL ANNEXATION 1956-3, AND FIXING TIME AND PLACE OF HEARING, PURSUANT TO PROVISIONS OF ANNEXATION OF UNINHABITED TERRITORY ACT OF 1939 AS AMENDED.

WHEREAS, the City Council of City of Campbell has received a written petition from the owners of not less than one-fourth (¼) of the area and of the assessed value of certain contiguous uninhabited territory, according to the last preceding equalized assessment roll of the County of Santa Clara, State of California in which such territory is situate; and

WHEREAS, said petition requests the annexation of said uninhabited territory as defined in the Government Code of California, to the City of Campbell, a municipal corporation; and

WHEREAS, the said petition contains a description of the said uninhabited territory sought to be included in such municipal corporation; and

WHEREAS, the proposal for the annexation of said uninhabited territory to the City of Campbell has been submitted to the Boundary Commission of the County of Santa Clara, State of California, and that the boundaries thereof have been approved and certified as to their correctness by said Boundary Commission.

WHEREAS, the City Council finds and determines that it is for the best interest and general welfare of the people of the City of Campbell that said property referred to and hereinafter particularly described, be annexed to the City of Campbell; and

WHEREAS, the City Council desires to designate said annexation as Campbell Annexation 1956-3 as the appropriate name by which said annexation shall hereafter be referred; and

WHEREAS, the City Council desires to annex the said territory to the City of Campbell, California; and

WHEREAS, there has been compliance with all other statutory requirements provided by the "Annexation of Uninhabited Territory Act of 1939", as amended.

NOW, THEREFORE, BE IT RESOLVED by the City Council of City of Campbell that it is its intention to annex to said City pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, as amended, the territory, commonly known and designated herein as Campbell Annexation 1956-3, the boundaries of which are more particularly described as follows:

All of the real property situate in the County of Santa Clara, State of California, described as follows:

Beginning at a point which bears S. 3° 15' W. 25' from a stake marked W. 2 standing at the intersection of the center line of Union Avenue (North), formerly known as San Jose and Los Gatos Road and as Santa Cruz Road, with Section line between Secs. 26 and 35 Township 7 South, Range 1 West, said point being distant West 16.04 chs. from the corner of Sections 26, 25, 35 and 36, Township 7 South, Range 1 West, and running thence along the center line of said Union Avenue (North), S. 3° 15' W. 5.46 chns. more or less to a stake marked L. Hamilton PTA Stages Variety Show Saturday

"Night Internationale", a variety show in fourteen acts, each featuring a different country, will be presented by Hamilton School PTA at 8 p. m. Saturday in the school cafetorium. John Havens and Adrian Cibilich will narrate the show in a humorous vein.

Nick DeRose, bass, will start off the program with vocal renditions of "Old Man River" and 'Asleep in the Deep". Janice Caginia, soprano, will next be heard in a group of Irish ballads.

A humorous German monologue by Jack Wenzel will follow. "O! Bambino Caro" and "Vienna City of Dreams" will be vocal selections by Mrs. A. P. Patellero.

San Jose Roller Rink Skaters will perform a Swiss number.

Jack Fischer, talented principal of San Tomas School and Hamilton School PTA member, will accompany himself at the piano in a number of comic French songs.

Following intermission, Folk Dancers will present a group of Russian dances.

The Hungry Three, Jack Fischer, Norm Corvello and Ed Tonini, well-known local instrumental trio, will be heard in a group of "Shanghai" numbers.

Winifred Werling, hula dancer, will be seen in a Hawaiian number and a San Francisco Barber Shop Quartet will also sing.

Tony Bonaccorso will direct the show, and Richard Lynn is ways and means chairman for the affair.

Tickets may be obtained by contacting Mrs. Jack Fischer, FRanklin 8-4902.

Mrs. Clara Baldwin has been in a San Jose hospital for over a week with injuries received in a fall at her home on March 31. She suffered concussion, a broken arm and bruises. She's getting along quite well now and hopes before long to return to her home at 96 East Rincon Ave., where she resides with her sister, Mrs. Luella Whitney.

The standards of the so-called older generation must be raised before we can expect youth's standards to reach the mark we would all like to see.

MORELAND MUSINGS

Moreland grammar school district reports 33 kindergarten children signed up on the first day of registration. This term there are facilities for handling 204 kindergarten children. When the two new Strawberry Park schools are finished, there will be accommodations for 96 more. After that, a waiting list will be set up. Mrs. Gussie Baker, district superintendent, urges early registration so that her office may plan the most efficient use of facilities.

The Saratoga-Quito Kiwanis played host to two sixth grade Campfire Groups and their leaders at a recent Wednesday dinner.

Troop I-Y-Wa, with Mary Smith, leader, made balloon heads as table decorations, Dorothy McLeod, Sandy Charlton, Phyllis Cunningham, Marsha Smith and Sarah Mallory were the girls who attended from this troop.

Troop O-Ki-Ka-Ma, including Bonnie Coe, Betsy Ballentyne, Nancy Morton, Sharon Griset, Linda' Straight, Cheryl Horan, Myrna Roseler, Sandra Haney, and Mary Puma, made little pipe-cleaner figures for table decorations. Leader Beverly Coe, and co-leader Mary Ballentyne helped with these.

Both troops brought cookies they had made, and gave after-dinner talks describing life at Camp Wastahi and various Campfire activities.

The Girl Scouts of the district are beginning preparations for Camp and Day Camp. Notices will be mailed home this year from the San Jose office. Leaders Nadine Webb. Eleanor Gallo and Molly Todd are trying to get their troops groomed for the Court of Awards to be held early in June.

Mrs. Doris von Hermann, leader of the fifth grade troop has been spending more time with Joseph Edward von Hermann, born last month, than she has with her troop. She hopes to see them win their badges, none-the-less, since there are two months before the Court of Awards in June.

This June, Boy Scout Troop 70 will lose its Explorer Crew and the district will gain an Explorer Post. Adviser R. H. Lindsay and assistant adviser F. L. Dearborn are beginning with five boys, but they expect to see the post grow with the expanding neighborhood. There is a need for activities for teen-age boys in this area, and the post hopes to help meet the need. Boys who are interested need not have been Boy Scouts. The present activity of the Crew is to help prepare de la Vega Park in Santa Cruz for the Camperee which Campbell District will hold there April 21 and 22.

QUITO QUORNER

Betty Stevenson is chairman of the PTA flower show to be held April 24. All residents of the area are invited to enter. There will be classes in flower arrangemens as well as horticultural classes. Blue, red, white and yellow ribbons will be given for the first, second, third and fourth prizes in each class.

The Cub Scouts are working on their float for Old Settlers' Day, but they have not yet decided upon a name. Scoutmaster Herb Raymond reports that the decision will be made week after next, when the Cub Scout Committee will choose one from the suggestions which have been made by the various dens.

Karen Mori in Miss Simas' second grade has a new rabbit. She has written a poem about him. "This is a bunny. He has lots of fur. His name is fluffy. We keep him in the house. We feed him carrots and lettuce. He is fat now, but when we got him he was skinny. His middle name is Cotton. I go to sleep with him every night I sleep with him because he keeps me warm."

L. H. Prinz, Scoutmaster of troop 67 spent the week end at Camp Stuart as part of the class in basic scouting he has been attending. The class lasts seven weeks, and he has completed four of them.

SAN TOMAS SUMMARY

The San Tomas 4-H Club held its annual pot-luck dinner Monday. Mindful of the health department's warning that lukewarm pot-luck dinners can give food poisoning, the hot dishes were popped into the oven as they were brought in.

Marilyn Gilpatrick was chairman of the committee which arranged the menu, set the table, washed up the kitchen, and otherwise assured the success of the event.

Terry Gamble presided over the program which featured movies showing 4-H activities.

The club members are well along in their projects by now. The next big affair is 4-H day held at the County Fairgrounds in May. Then, in the summer comes the camp on Loma Prieta. This fall is the county fair. Then when school starts, new members may register, and the cycle begins again with the new members beginning on their projects.

The Wedgewood Church Missionary Society met last week at the home of Oliva Hammons. This Thursday they will meet at the home of Cleo Quary, 26 Gilman, Campbell.

The recent all day session of the Wedgewood Church was featured by speakers from the Pentecostal Young People's Association, Sammy Smith and Lorene Lawson. There was also special music with the Rev. Lester Kraft and the Rev. Florence Kraft singing a duet. The Lawson family sang a trio.

San Tomas Kingdom Hall, where Vito Pavone is congregation servant, has just begun a Bible Lecture series.

The Women's Missionary Society of the San Tomas Baptist Church met Tuesday night at the home of Louise Thrash. This week the emphasis was on community service. Here in San Tomas there are families who need food and clothes, and nearby rest homes to be visited. The lesson was on the best way of meeting these needs. Committees were named and plans were made to put the lesson into action.

The San Tomas Baptist church is completing its Youth Week Services. Leon Madden was the Youth Pastor. Virginia Kinsella was the Youth Choir and Song Leader. Sunday's guest preacher was Wayland Jackson, student at the Golden Gate Theological Seminary in Berkeley.

The world's smallest republic is San Marino, in Central Italy. with a total area of 38 square miles.

County Gets $141,239 From Highway Use Tax

Robert C. Kirkwood, State Controller, this week reported that Santa Clara county will receive $141,239.55 as its share of the $5,440,463 in highway users taxes apportioned to the counties in March.

Net highway users taxes for the month ended February 29 amounted to $30,660,931 and were apportioned in March as follows: state highway fund for cities, $2,109,858; counties, $5,440,463; and state highway fund for highways, $23,110,610.

P.G.&.E. Pays Big County Tax Bill

Santa Clara County's $1,690,753 and another $2085 for the city of Campbell formed parts of the record-breaking property tax bill of Pacific Gas and Electric Company on which final payments were made this week.

The Company's total tax rose to $120,414,000 to exceed the former high of $103,886,000 set last year. California's largest property taxpayer, PG&E distributed $44,902,133 among 193 cities, 49 counties and more than 1,500 school and other special districts. The sum exceeded the old record of $41,272,764 hit last year.

The Alleghany district in Sierra County is famous for the richness of its gold-quartz veins.

A. LEGLER RITES HELD YESTERDAY

Alexander Legler, 69, passed away early Sunday, after a four months illness. His home was at 40 South Milton Ave., Campbell.

Mr. Legler, a retired baker, is a native of Russia. He came to America about 40 years ago, when he settled in Fresno where a number of his relatives resided, including two uncles who were ministers in Fresno.

He resided in Fresno for 25 years before moving to Los Altos. He came to Campbell in 1948.

Surviving is his wife, Amelia. He also leaves two nephews, Delbert and Vernon Zisch of San Jose, besides many cousins in Fresno.

Services were conducted yesterday afternoon from Darling-Fischer-Krug Memorial Chapel. Interment followed at Oak Hill Memorial Park.

CANCER COSTS RISE

The cost of cancer to the American public in 1956 will be more than 450 times as much as the 26 million dollars the American Cancer Society is seeking for its cancer control programs this year, according to Mrs. Elise Belenky Santa Clara County campaign chairman.

She further stated that information received by Santa Clara County branch of the Society indicates the annual cost nationally in loss of goods and service through cancer disabilities and death is about 12 billion dollars.

CUB PACK GROUP MEETS

Del Bloomquist, Cubmaster, presided at the meeting of the new committee for Rosemary School Cub Pack 75, at the home of V. Wigginton, 26 Jane Ann Way on April 3.

Plans for participation in the Old Settlers' Day parade were discussed.

Committee members attending the meeting were: Harold Griffith, assistant cubmaster; Charles Goodwin, chairman; Glenn Breshears, secretary; E. F. Jacobson, institutional representative; Mmes. V. Wigginton, Arthur Rice, Thayer Lyons and George Reynolds, den mothers, also Mr. and Mrs. Grant Deem, C. O. Wieck and V. Wigginton.

It was announced the next Pack meeting will be held April 27.

Winners of the kite contest held in March were also announced at the meeting.

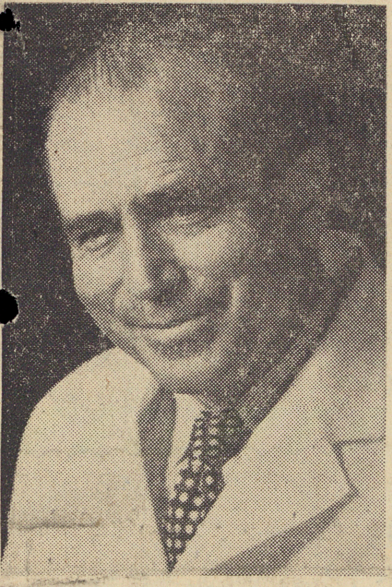
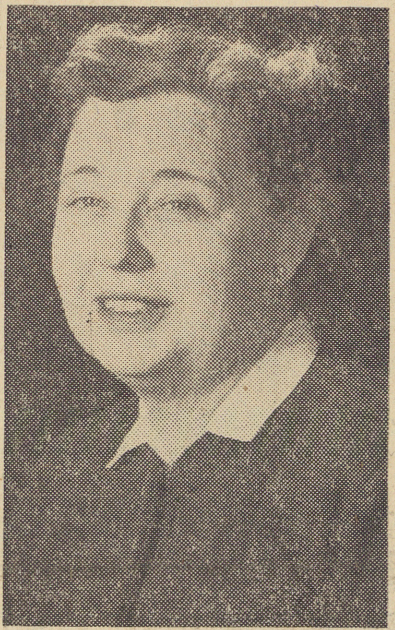
THE VALLEY'S MOST MODERN DRUG STORE



CO-OWNER . . . L. E. (Bill) Means, the co-owner and manager of Campbell Drugs and Pharmacy Shopping Center, has been manager for the past eight years of Clark''s Drugs in Campbell. He will continue to manage both stores. Mr. and Mrs. Means have been residents of Campbell since 1946 when they built their home here. They have two daughters, Marilyn and Patricia, who attended the local schools and Bill has served on both the high school and elementary school boards. He is now clerk of the elementary board. He has been an active member of the Kiwanis Club and Masonic Lodge, Scottish Rite of San Jose and was one of the founders of the Campbell Merchants Stamp Association. A graduate of the University of California, Bill has been active in the Cal Grid Club and the university's alumni association. Because of his interest in sports he has served as trainer of the Campbell High School athletic teams for a number of years. Active in civic affairs, he has served on Chamber of Commerce committees and was instrumental in the establishment of the Campbell Lighting District.



CO-OWNER . . . Mrs. Winona Clark, co-owner of the new Campbell Drugs and Pharmacy has been a resident of Campbell for 27 years. In 1929 she and her husband, Daniel W. Clark, purchased Clark's Drugs, 299 E. Campbell Ave., from Mr. and Mrs. Victor Holmes. Since the death of Mr. Clark in 1948, Mrs. Clark has been owner of the store with her sons, Dr. Daniel W. Clark and Dana Kent Clark. Mrs. Clark is currently serving as Campbell chairman of the Santa Clara Heart Association. In 1939 the Clarks built the present residence at the corner of Second and Grant Ave., in Campbell. Both of the Clark sons attended the Campbell grammar and high schools and both are graduates of Stanford University.

NEW CAMPBELL DRUGS OFFERS MANY PRIZES IN MAMMOTH OPENING SALE

In Campbell's rapidly expanding west residential area, a new service feature in modern retailing has been provided for the convenience of the city's shoppers.

Opening of the beautiful new Campbell Drugs and Pharmacy gives Campbell its first self-service community pharmacy in one of the city's most progressive and attractive shopping centers.

Formal opening of the Campbell Drugs and Pharmacy will be held Friday and Saturday, April 13 and 14.

The hundreds of persons who are expected to visit the new store will find the most modern and advanced features for leisurely, pleasureable browsing and shopping. It has been designed to make shopping easy and enjoyable.

BILL GEISLER
. . . Pharmacist

Co-owners L. E. (Bill) Means and Mrs. Winona Clark summed up the predominating motive of the new store in the following words: "We have endeavored to provide an atmosphere which will encourage our patrons to browse, to take their time, to avoid the hurry and the bustle so often associated with downtown shopping center type of store. We want our friends to find shopping in our new community center store a most enjoyable experience. Our color schemes, our fixtures, our floor arrangement and our large parking facilities have been designed to serve that need."

Part of New Shopping Center

The new Campbell Drugs & Pharmacy occupies a section in the Campbell Shopping Center, next to the Lee Bros. Market, at the corner of Winchester Road and Latimer Ave. It has a modernistic front with large plate glass windows, stainless steel trim and a brick exterior.

Barrett & Co. was the general contractor for the construction of the building into the attractive new pharmacy. Hollis Logue, Campbell, was the architect.

Store hours are from 9 A. M. to 9 P. M. weekdays and Sundays from 10 A. M. to 7 P. M.

Floor space of 40 x 70 feet is included. Interior lighting is provided by the new type, slim-line, soft white flourescent tubes which have been developed recently to provide the most effective illumination for the selling of merchandise.

Latest in Store Arrangements

A Carrier combination heating and air conditioning unit, considered the most effective for large installations, takes care of the interior air summer and winter.

The floor is covered with vinyl plastic tile in softly blending shades of maroon and beige. Pastel shade predominate in interior decoration with sufficient bold colors to accentuate key departments.

Due to the self-selector fixtures, store aisles between the merchandise displays are wide to facilitate shopping.

The modern prescription counter, following the latest trend in store arrangement, has been placed at the rear of the store. The prevailing color scheme for the prescription department is white. The department has an angled work counter and this unusual treatment gives the department prominence in the store and the pharmacist is given more working area than in the average size store.

The store will also have a complete line of foot preparations featuring over 100 of Dr. Scholl's Foot Products.

A Diabetic section will carry everything for diabetic treatment including refrigerated insulin.

The store is very proud of its modern, well equipped photographic department. It offers everything for the photographer including motion slides, screen tripods, and films of all sizes. The new store offers 24 hour printing and developing service by Bennett Photo.

In order that the new store may best serve its primary purpose of a community pharmacy shopping center, large lines of cosmetics, greeting cards and gift accessories are provided for those departments.

Large Cosmetic Selection

Among the fine lines of cosmetics are Elizabeth Arden, Dorothy Gray, Revlon and Coty. There is a large selection of beautifully packaged cosmetics and perfumes for gift giving.

Displayed in the rear of the store is an unusual selection of ceramics and wall planters. The gift department also offers a large selection of costume jewelry.

MARY JANE GILBERT
. . . Cosmetics

Admirers of beautiful wood finished find the greeting card fixtures of particular interest. They are made of a choice midwestern hardwood gum which retains its beauty and original lustre increasing in general attractiveness as the wood ages. The fixtures are made by the Hallmark company.

The Toy department features many unusual toys designed for pleasure and durability.

The Baby department consists of 27 square feet and includes all of baby's needs.

The Tobacco department is the only one of its kind on the West side. It features a special self-server humidified case which keeps the cigars fresh at all times. It includes over 40 brands of cigars. There is a large selection of pipes and tobaccos from which to choose.

Another feature of the new store is one of the largest selections of magazines and current periodicals in Campbell.

In the Candy department is a large stock of the leading brands of fine chocolates, including Whitmans' Saylors, Almond Roca, Brown & Haley, and Pangburns chocolates from Texas.

Novel departments, designated to serve the particular needs of the community, include a kitchen gifts department, outdoor barbecue equipment, ceramic and brass novelties.

Conveniently located is a special gift-wrapping department which will be available for use by store patrons.

The sales staff in charge of Campbell Drugs & Pharmacy numbers five persons with expansion anticipated as the volume of business mounts.

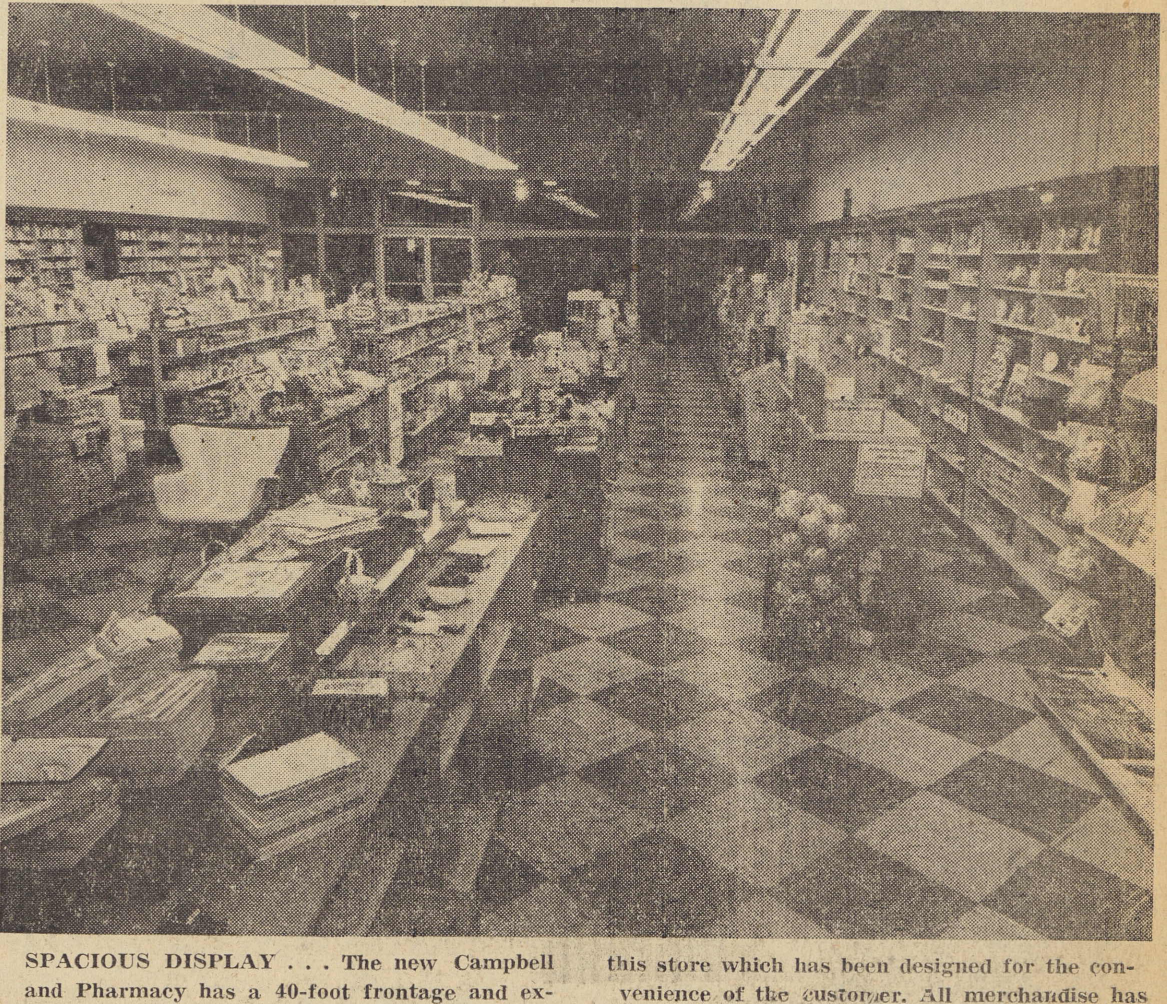
THE LIGHTS GO ON . . . This striking photograph of the new Campbell Drugs and Pharmacy located in the Campbell Shopping center emphasizes the attractiveness of the most modern drug store in the county. The well-lighted exterior, plus the almost daylight brightness of the interior, sends out a glow of welcome and an invitation for all residents of the community to visit this newest addition to the business firms of Campbell.



SPACIOUS DISPLAY . . . The new Campbell and Pharmacy has a 40-foot frontage and extends 70-feet in depth. The above picture graphically shows the attractive interior of the store with the merchandise displayed on the low self-selector units. The extra-wide aisles are one of the biggest advantages in the lay-out of this store which has been designed for the convenience of the customer. All merchandise has been carefully placed in their proper departments. The slim-light fixtures overhead throw an even light over the entire interior of the store making shadowy corners a thing of the past.

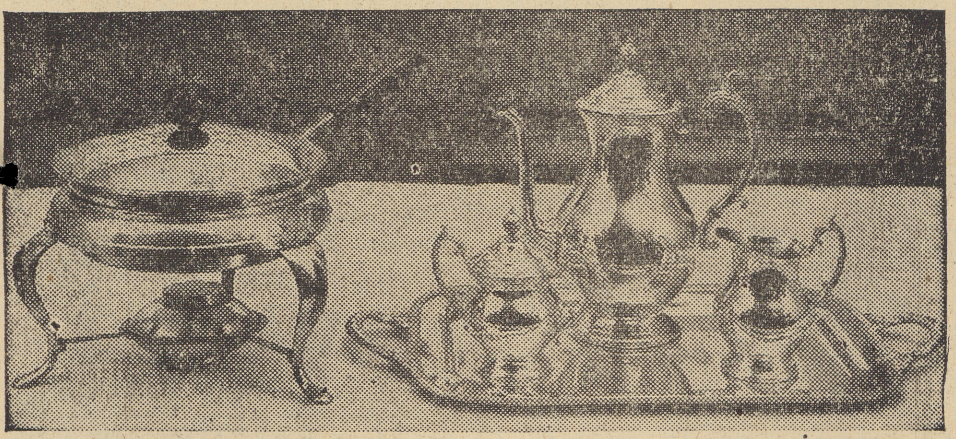
WIN

One of These Beautiful Gifts!

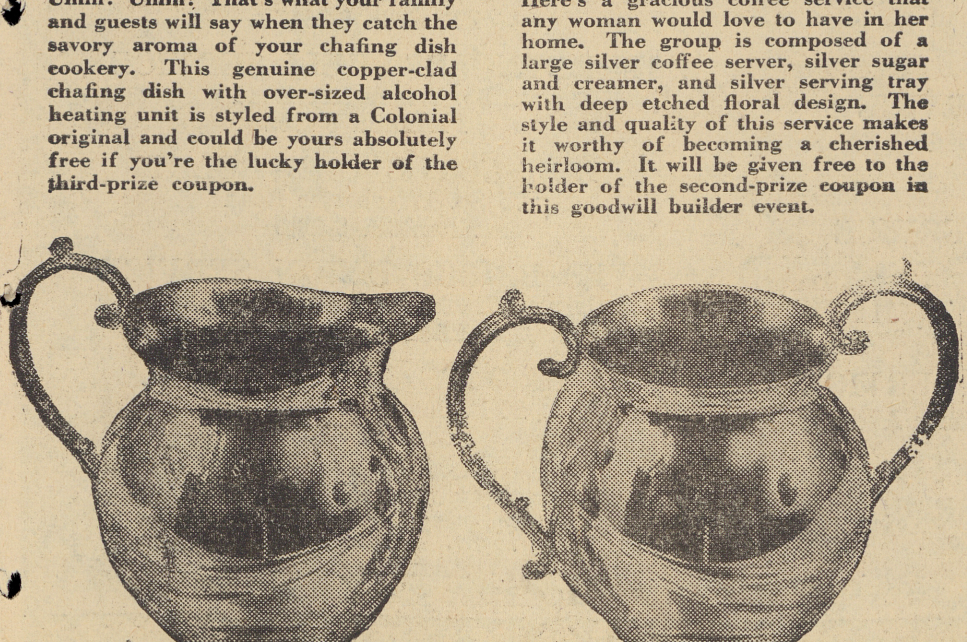
HOW YOU MAY WIN One of these Gifts absolutely Free
One of these handsome gifts may be yours . . . . absolutely FREE. Nothing to buy; no contest to enter. Every time you visit our drug store you are entitled to a free coupon which, if drawn as a gift winning ticket at the final drawing, assures you of one of these beautiful prizes.

What woman would not be overjoyed to have for her very own this gorgeous seven piece silver service, beautifully designed and styled to blend with any decorative motif? The service consists of a handsome hot water urn with alcohol heating unit, a graceful coffee pot and matching tea pot, an ample-sized creamer and sugar bowl, a useful tea caddy and finally, to set off all six pieces, a magnificent serving tray. Nothing to Buy — Nothing to do. Every visit to our store entitles you to receive a free gift coupon and the holder of the first-prize coupon will win this valuable silver service. *It Could Be Yours!*



Umm! Umm! That's what your family and guests will say when they catch the savory aroma of your chafing dish cookery. This genuine copper-clad chafing dish with over-sized alcohol heating unit is styled from a Colonial original and could be yours absolutely free if you're the lucky holder of the third-prize coupon.

Here's a gracious coffee service that any woman would love to have in her home. The group is composed of a large silver coffee server, silver sugar and creamer, and silver serving tray with deep etched floral design. The style and quality of this service makes it worthy of becoming a cherished heirloom. It will be given free to the holder of the second-prize coupon in this goodwill builder event.



Another fine gift is represented by this authentic silver cream and sugar set. Styled after a pre-Revolutionary pattern, this compact set with accompanying tray makes a welcome and useful addition to any table service. It will be awarded to the holder of the fourth-prize winning coupon.

PRESCRIPTION DEPARTMENT . . . Pictured is the compact prescription department of the Campbell Drugs and Pharmacy, the first complete installation of its kind in northern California. Although the department is compact it is complete in every detail. The lighting of the department is one of its most attractive features, with neon tubing diffusing their light evenly throught the corrugated plastic ceiling of the prescription department. A special refrigerated unit has been installed to store the cabinets for the storage of other supplies are biologicals and antibiotics while the compact equivalent to 48-feet of shelving. Another novel feature is the angled front and work counter of the department.

Bob Young Wins Scholarship

Bob Young, a Campbell High senior, has recently received news that he has won a $600 scholarship renewable for four years to any college of his choice. The scholarship, which is given annually by McCormick Company, was awarded on the basis of scholastic aptitude test, scholastic standing, activities, and personal recommendations.

Bob is planning to go to San Jose State College for two years and transfer to University of California where he will go into medical research.

His comments on winning the scholarships, "I can't believe it".

MUSIC NOTES

The Campbell High Band played for the Rotary Club on April 9.

Next month the band will participate in the Old Settlers' Day Parade, and the Los Gatos Festival.

Majorette tryouts were held Monday. The winners will be announced later.

Orchestra Plays Again

Last Tuesday the Orchestra made their fourth appearance since Christmas for the Kiwanis Club in Campbell. The numbers played were "Unfinshed Symphony'", "Symphonic Poem Mowis", and "Dream of Olwen" with Steve Janzen at the piano.

The orchestra was last seen playing for the Senior Play and they are working now for the Spring Concert.

LITTLE LEAGUE TRYOUTS BEGIN THIS SATURDAY

It's baseball time again . . .

Plans for the Little League baseball season for the Campbell area will be outlined this Friday night when parents of the youngsters in the 10 to 12-year old bracket will meet with league officials at the Campbell Grammar School at 8 p. m. Tryouts for the team begin Saturday.

The area will be divided into two four-team (Campbell and Cambrian) leagues this season, according to Guy Troedson, of the Little League organization, and the local teams will operate independently of the national organization.

The season officially opens on June 2 with the Campbell circuit playing on its own field at the Rosemary School and Cambrian playing at the Campbell Grammar School until its new field at the Steindorf School is completed.

The park at Steindorf is expected to be finished by mid-summer and is under the direction of the Campbell Little League with both the Cambrian Men's Club and Steindorf Home and School Club assisting in the financing of the project.

Tryouts for both leagues will get under way this Saturday, April 14, and will continue for the following two Saturdays, April 21 and 28. Teams for the two leagues will be chosen on Saturday, April 28. Boys not picked for the eight teams will be able to play on one of the many "farm league" teams that will be organized later.

As this marks the first season that the Cambrian Little League has been organized the area has been divided into sections with the San Jose-Los Gatos Road the boundary line between the two. South of Willow (and extension of Finch,) east of San Jose-Los Gatos Road to Apricot Ave. and south of Apricot to Dry Creek Road has been designated as the Cambrian area.

The Campbell area takes in that section north of Willow and west of San Jose-Los Gatos Road and north of Dry Creek and Apricot Ave.

Boys in the 10-year age group and younger will try out at 10 a. m. on each Saturday. Those in the Cambrian district will work out at the Campbell Grammar School and those in Campbell at Rosemary School. The 11-year age bracket works out at 12 noon while the 12 year olds go to work at 2 p. m.

Larry Hill, superintendent of the high school district, is president of the Campbell Little League and Al Rueter is vice-president. League officials report that seven of the eight needed sponsors for the teams have already been secured.

Bucs Take Sixth On Home Courts

On April 2, the tennis team won their sixth straight match by downing San Jose 6-1. This was a good showing after the Easter lay off. All the team members stayed in shape by playing tennis wherever they were.

The results:

1st singles: Jim Stewart (SJ) def. Gene Andres (C), 1-6, 9-7, 6-2.

2nd singles: Tom Goulding (C) def. Kazul Hyashi (SJ), 8-6, 7-5.

3rd singles: Bill Meyer (C) def. Doug Turner (SJ), 6-2, 6-0.

4th singles: Art Hill (C) def. Jack Alphan (SJ), 6-2, 6-3.

5th singles: Mark Wright (C) def. Danny Brown (SJ), 6-3, 6-0.

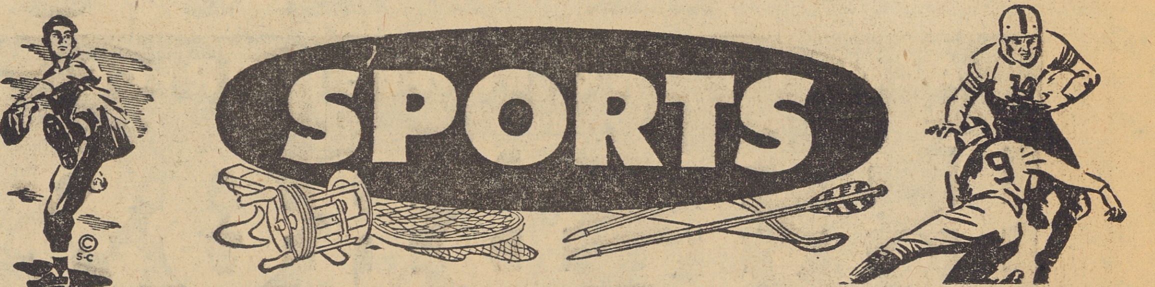
1st doubles: Gil Rodrigues and Nate Meleen (C) def. Ray Blackie and George Elkerton (SJ), 6-1, 6-0.

2nd doubles: Norman Wright and Don Chan. a....1;;iR..S2 nin and John Davis (C) def. Vince Figilio and Don Chan (SJ), 6-3, 6-2.

Buc Varsity Defeats Lick

The Buc Varsity nine downed one of its opponents in the S. C. V. A. L championship race by defeating James Lick by a score of 2-1, on the Buc diamond.

The game went into extra innings when the Bucs broke the 1-1 tie in the last of the ninth inning on an error on the Lick center fielder with two on base.



CAMPBELL, FREMONT MEET

Baseball Today

In a diamond fray that may well decide the championship of the Santa Clara Valley Athletic League, the fast-stepping Bucs of Campbell High meet Fremont of Sunnyvale at Sunnyvale this afternoon.

Both teams have a 2-0 conference record and their respective records go on the block this afternoon. While Campbell was squeezing by James Lick 2-1 thanks to a ninth inning break (a long fly was dropped by the Lick centerfielder). Fremont was pouring it on Los Gatos 22-1. Nine errors by the Los Gatos Wildcats helped the cause along no end.

In today's critical league encounter, the two best pitchers in the SCVAL will face each other on the mound. Bob Sutton, star hurler for the Campbell nine for two years, hurls against Bob Woods of the Indians.

Coach Mel Stein of Campbell, who piloted the local team last year to its first championship on the diamond since the circuit was formed, plans to leave the coaching profession after this season, it has been reported. In addition to his coaching chores, Stein stars as a classroom instructor and plans to make that his main field. Stein, one of the most outstanding baseball coaches in Campbell's history, plays first base and manages a semi-pro team in Pendleton, Oregon during the summer.

Both teams today will have a great deal at stake. Last year Campbell and Fremont tied for the championship, although the Bucs defeated the Indians by a 3-1 count.

Whatever team comes out on top this afternoon, according to all diamond experts, should have easy sailing the rest of the way for the championship bunting.

BUC SWIMMERS BEAT FREMONT; LINCOLN WINS

Buc swimmers paddled their way to a win over Fremont High last week but lost to Lincoln High last Friday. This week the mermen took on Fremont on Wednesday and will meet Menlo School for Boys here on Friday.

In the Fremont waterfest, the local A's scored 48 points to the Indians 22 with Camden High placing third with 10. Campbell also won the B division with 40 points and Camden took second with 25. Fremont was third with 10.

Again Steve Skold (who scored all 10 points for Camden in the A's) turned in the most sparkling performance of the day. He won the 100-yard free style in 54 seconds flat and the 150-yard individual medley in 1:34.2 only 1.2 seconds less than the national record set in 1950 of 1.33,2. Steve's time in this event is faster than any time recorded last year.

Mike Scroggins of Campbell, set a new record in this meet in the 100-yard butterfly while Jim Mitchell did likewise in the 100 yard back stroke.

In the B division, Bill Duncan set a new pool and school record in the 50-yard free style while Jim Omura did the same in the 100-yard breast stroke.

Although Campbell's Bees took Lincoln by a 54-14 score, Lincoln came out on top in the A's 40-37. Mitchell again broke the school record in the back stroke while Doug Campbell set a new school record in the 100-yard free style.

A new pool and school record was also set by the medley relay team of Pat Franco, Jim Omura, Bob Peltier and Don Peterson.

Track Tomorrow

With their 3-0 record for the season on the block, Campbell High School spikesters tomorrow afternoon at Sunnyvale meets the Fremont Indians in a dual SCVAL track meet.

Again Mike Profit, Campbell's greatest shot put artist in local track history, will have all eyes on him when he steps into the shot put ring. Against Los Gatos last Friday big Profit tossed the pellet 53-feet, 9 3/4 inches, his best heave of the year.

Campbell easily turned back Los Gatos 92¼ to 29 but the going should be a little rougher tomorrow afternoon. In the meet two other Campbell High records went by the wayside when Monty Nielsen sped to a win in the 100-yard dash :10.1 and Max Kinsey vaulted 12-feet, 1½ inches.

Campbell athletes who have made top performances in SCVAL meets so far include, Nielsen in the 100; Tom Clark in the 140 low hurdles (:16.8); Kinsey in the pole vault; Ken Sweet in the broad jump (20-feet, 11½ inches); and Profit in the shot put.

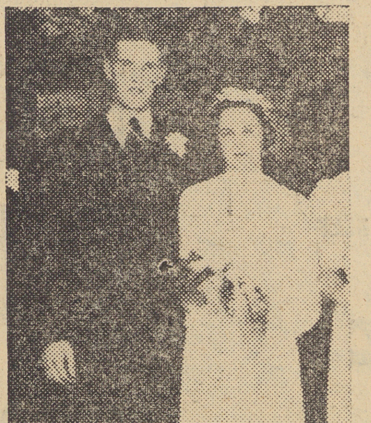
On May 8, Campbell High participates in the SCVAL trials at Los Gatos with the finals taking place on the same field on Friday, May 11.

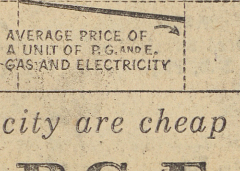
FFAers WIN AWARD

Two Campbell High School Future Farmers, Delbert Herschback and Gary Steindorf, were given awards for their entries in the Grand National Junior Livestock Exposition at the Cow Palace.

Gary Steindorf made entries of three lambs and one hog.

Delbert Herschback won a second place ribbon on his Guernsey Cow.





COST OF LIVING
1936
1956
AVERAGE PRICE OF A UNIT OF P. G. AND E. GAS AND ELECTRICITY
Meet the Bennetts who set up housekeeping in Santa Rosa in 1936

20 YEARS AGO—when Duane and Eileen Bennett were married, they had 6 appliances: stove, hot plate, water heater, toaster, iron, radio.

TODAY—their inviting home boasts 25 appliances: range, refrigerator, freezer, washing machine, dryer, toaster, mixer, waffle iron, deep fryer, 2 electric exhaust fans, garbage disposer, electric clock, 2 TV sets, 2 irons, sewing machine, vacuum cleaner, electric blanket, hair dryer, electric heater, 2 water heaters, furnace.

Today they buy $19 worth of gas and electricity for $15
...for the average unit cost is far less than it was in 1936

Most Californians — like the Bennetts — own many more appliances today than twenty years ago. And all these extra appliances use additional gas and electricity. Fact is, if you're like the average California family, you're using *three* times as much gas and electricity these days!

As a result, your bill may be higher. But it's far *lower* than it would have been 20 years ago.

That's because P. G. and E. now charges far less per unit of gas and electricity. Proof? A month or so ago, the Bennetts' bill was $14.79. In 1936 the same amount of gas and electricity would have cost them $19.19. You're probably making similar savings yourself.

Can you think of any other prices that are lower today than 20 years ago? *No wonder we say . . .*

Gas and Electricity are cheap in California!
